

Bathroom Monsters - By Adeline Thorn

Haven't you heard of the bathroom monsters?
They come out in the night
Haven't you heard their mangled moans
And other sounds not right?

Haven't you heard of the bathroom monsters?
Or seen their shadows tall?
Haven't you hidden in your blankets?
Haven't you coward at all?

Haven't you heard of the bathroom monsters?
Or crept past their bathroom cave?
Or sacrificed your toothbrush to them
So they will behave?

Haven't you heard of the bathroom monsters?
Or have you heard the twists?
That parents spin to keep us calm
That "they don't really exist"
