

# The mermaid and the unicorn.

By Aria Lash

Once there was a lonely unicorn who had no friends, until one day when she was having sip of water from rainbow lake, a beautiful mermaid appeared! Hi, my name is Lily said the mermaid. And the unicorn said hi ,my name is Sparkle. Would you like to come to mermaid land with me? I would love to, one problem , I can't swim. Said Sparkle. That's ok said Lily, in an instant Sparkle's back hooves turned in to a beautiful tail! Then Sparkle jumped into the rainbow water. Five minutes later ,they were in mermaid land. They played at the mermaid play ground for ten hours, until Sparkle had to go home. So Lily turned Sparkles tail back into hooves. After that day they played at the mermaid play ground every single day of their lives, for ten hours.
