## CHILDREN AND TWEENS

### Take and Make No Sew Scarves

January 3 through January 17

Prepare for the cold weather—pick up a kit and make yourself a no-sew fleece scarf. *[Registration is required and begins on January 1.]*

### Power of Play: Tap, Tap, Tap

Monday, January 10 from 10 to 11 AM

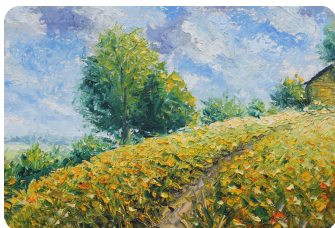

There's nothing quite like using real tools, and this program gives little ones the opportunity to use a hammer and nails to make a unique work of art using felt, pony beads, foam shapes, and rubber bands. For children ages 3-5 with an adult caregiver. *[Registration is required and begins December 13.]*

### Library LEGO® League

Tuesday, January 11 from 4:30 to 5:30 PM

Bring your passion for building to **Library LEGO® League**. Each meeting will have a theme or challenge, and all **LEGO®** bricks are provided. For children ages 5-12; adult caregivers are welcome too! *[No registration required.]*

### Monet Impressionist Art

Monday, January 17 from 4:30 to 5:30 PM

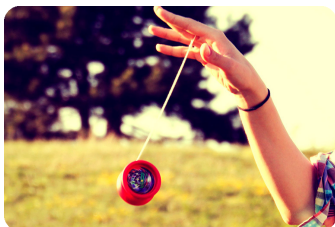

Create impressionist artwork inspired by **Claude Monet!** We will be using our fingers to paint a small piece of artwork to take home, as well as making a large version of Monet's *Water Lilies* that will be displayed in the library. Wear clothes you don't mind getting dirty because it may get messy. *[Registration for ages 5-12 is required and begins December 20.]*

### STEM Space: LEGO Rover

Monday, January 24 from 5 to 6 PM

**Join us for space exploration!** Learn about space rovers and get a chance to build and program a **LEGO®** rover. For ages 8-12. *[Registration is required and begins December 20.]*

### STEM: Yo-Yos and You!

Thursday, January 27 from 4:30 to 5:30 PM

Yo, yo, yo – calling all **yo-yo enthusiasts!** Learn about the history and science behind yo-yos. Using the scientific method, enthusiasts will participate in yo-yo challenges. Of course, there will be plenty of time for sharing and learning tricks! Yo-yos provided! For ages 8-12; all levels of experience are welcome. *[Registration is required and will begin December 30.]*

Please check with the library for **current mask requirements** at programs.
